African Rainbow Family (ARF) is a small registered Charity (No. 1185902) which has been supporting LGBT+ refugees and those seeking asylum through the asylum and immigration process and campaigning for their rights since 2014. This includes people of African heritage, the wider Black Asian Minority Ethnic groups and anyone that identifies as an LGBT+ refugee and/or seeking asylum. We provide peer support, advocacy, advice, information and counselling.

ARF was established in 2014 by a lesbian in the wake of some Commonwealth countries in Africa's toxic and draconian anti-gay laws; persecutions and environment which seek to criminalise LGBTIQs for the preference of whom they choose to love. ARF provides:

- Support For LGBTIQ Refugees and People Seeking Asylum
- Support communities who face constant harassment, hate crimes and discrimination heaped on them by an ignorant society because of their sexuality or sexual preferences and or gender identity.
- Campaigning For Global LGBTIQ Equality.

Since it was established in 2014, African Rainbow Family has played a significant role in bringing about positive change for refugees and people seeking sanctuary in the UK. We are part of many campaign organisations, including the award-winning [Lift the Ban](#) coalition campaign that brings together over 250 organisations, from charities and think tanks to trade unions and local authorities, calling for the right to work for people seeking asylum. Together with high-profile national campaigning organisations, we work with front-line organisations to expose and address a range of issues that affect the rights and wellbeing of people in the asylum system, such as a fairer and humane asylum system, housing standards and asylum support rates.

We are a catalyst and convenor of collaboration and joint action. Our work helps strengthen collective advocacy on asylum reform and bridges the gap between policy and the reality on the ground.

We became a charity in late 2019 last year and have ambitious plans for the future as we seek to maximise the potential of our collaborative campaigning and communication model and identify opportunities for change at local, regional and national levels, in a challenging external environment.

Our main office is in Manchester with 4 other centres in Leeds, Birmingham, London and Cardiff. A mix of working at home and the office is likely for the foreseeable future. There is however, a need for commitment for time in the office. This can be arranged. **We therefore welcome applicants from across the UK.**

### **Benefits include:**

- 28 days annual leave including Bank Holidays
- Equipment to support remote working.
- Flexible working policy.
- Generous pension scheme.
- Development and growth opportunities.
- Free parking at our office.
- Paid staff day off on their birthday.
- Paid 2 duvet days a year.
- Salary review.
- Employee reward scheme.

- Employee wellbeing support.
- Paid Sick leave after 6 months.
- Cost of living crisis support.
